

Put This Stove in Your Kitchen

It is wonderfully convenient to do kitchen work on a stove that's ready at the instant wanted, and out of the way the moment you're done. Such a stove is the New Perfection Wick Blue Flame Oil Cook-Stove. By using it you avoid the continuous overpowering heat of a coal fire and cook with comfort, even in dog-days. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

WIRELESS FROM NEW YORK TO CHICAGO.

Dr. Lee DeForest announced yesterday that his wireless telephone station on the top of the great tower of the Metropolitan Life building, in New York, was in readiness to span the Atlantic on sound waves, but today he will make a preliminary test to see that ever, taking is working well by talking to the Metropolitan building in Chicago. For a long time the wireless phone company has been trying to install its plant in the tower, but it was not until Friday during the storm that the first wire were sent aloft from the great antenna which collect the Hertzian waves and transmit them into the delicate apparatus within the enclosed section of the station. If the test is successful, as Dr. DeForest is confident it will be, an attempt to talk to Paris will be made.

DRIVEN TO SUICIDE BY HEAT.

With the torrid heat intensifying his sufferings after being in ill health a long time, Jacob L. Woodson, a former agent of the Metropolitan Insurance Company, ended his life Sunday afternoon by firing a bullet into his brain at the home of his brother-in-law, George E. Anderson, at Midlothian, near Richmond. It was while the two families were seated at the dinner table and Woodson was upstairs that the fatal shot was heard. The widow of the victim immediately said that her husband had shot himself. She fainted. Woodson had recently returned from a hospital, where he had been treated for some trouble of the head.

OFFICIAL. To City Tax Payers—Notice

Collector's Office, June 14, 1909. Notice is hereby given that the tax bills for 1909 are now in the hands of the Collector. The attention of parties interested is respectfully called to the following extract from the revenue bill of 1909:

"Upon all bills paid in full by the 1st day of July, 1909, the Collector of Taxes shall allow a discount of six percent, and on all bills paid by the 1st day of September, 1909, he shall allow a discount of four percent, and on all bills not paid on the 1st day of December, 1909, there shall be assessed and collected a penalty of five percent upon the amount of said bills and on all bills remaining unpaid on the 1st day of June, 1910, damages at the rate of six percent per annum shall be paid."

Taxpayers would do well to call and pay at once in order to avoid the rush and crowd usually present on the last days in which the discount is allowed.

Being a list to make sure you get bills for all your property, as the collector will not be responsible or allow the discount after the time fixed by law. P. F. GOHMAN, 144 1st St. Collector of City Taxes.

To the Owners of Dogs. MAYOR'S OFFICE, Alexandria, Va., June 12, 1909.

All persons owning or intending to keep any animal of the dog or canine species should come forward on or before JUNE TWENTY-EIGHT, 1909, and take out a license for the same from the Mayor's Office.

After the 30th of June all persons owning or harboring dogs without the required license are subject to a fine as the laws on the subject require of \$25.00 or \$50.00.

Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two dogs when owning and harboring more, or who send such dogs away during the summer months and bring them back in the fall.

Attention has been called to this evasion of the law and policemen will report all such cases, and fines can be imposed upon those who fail to take out license after trial in the Police Court.

In order to avoid any mistakes, persons who make application for licenses would do well to write their names and number of residence, street, etc., on a card or paper when making application for their licenses to the Auditor.

Attention is called to the fact that while the payment of a license tax is required by the laws of the city, whether a dog is kept on the premises of the owner at all times or not, yet the payment of such tax does not entitle the dog to the unrestricted use of the streets and alleys of the city, both day and night, for it is provided by law, that "The Mayor in addition at all times, in his discretion, by proclamation, shall declare that all such dogs as above licensed shall be securely muzzled, and if any such dogs be found running at large during the continuance of such proclamation without the required muzzle, they shall be seized by the police force, or other persons designated by the Mayor, for such purposes, and conveyed to a suitable place and destroyed."

The following is a copy of Section 54 of the license law: "On every dog, regardless of sex, one dollar and fifty cents." je1229
